

AG7.iii - Cubert Parish Neighbourhood Development Plan

To whom it may concern

For some considerable time, a group of local parishioners in conjunction with the Parish Council, have been developing a Neighbourhood Development Plan (NDP), for Cubert Parish.

The process of composition has been undertaken with due diligence and in line with both national and local guidelines.

We are now in a position to submit the draft NDP document for consideration and consultation in accordance with Regulation 14.

The consultation period will run from Monday 9th September 2024 until Monday 28th October 2024.

During this period, a public event will be held at which hard copy documents will be available for review.

The NDP document together with an associated Design Guide and Local Landscape Character Assessment is published on the Cubert NDP website <https://www.cubertndp.co.uk/>.

Could you please submit any comments you may have either to myself at the email address shown below, via the Cubert website to info@cubertndp.co.uk or to the Cubert Parish Council cubertpc@btinternet.com.

Thank you in anticipation.
