Please note: This report is composed up to 9 days in advance of the C&T meeting. Any updates after the time of report submission will be provided to the Town Clerk by email.

Updates on upgrades/system enhancements

- Cornwall Council have made tentative enquiries to Newquay Council to see if a new camera to be located on the new Tretherras path eastern side of Trevenson Road, could be added to the Newquay CCTV network. Newquay Council have requested full details of Cornwall Council's funding for installation and ongoing maintenance prior tabling for discussion by the C&T Committee.
- Redeployable CCTV (mobile camera): The relocation of the Island Crescent camera back to Fistral Beach took place on 30 April 2021. A quotation was supplied by SSE on 28 April 2021 to replace the Island

Crescent camera in the sum of £9,230.78 with a four week lead time from placement of order. It had been resolved unanimously by C&T Committee at a previous meeting to release up to £6,000.00, thus there would be a shortfall of £3,230.78 if this quotation was to be accepted. Approval by C&T Committee would be required if an order is to be placed.

- Edgcumbe Avenue CCTV: SSE have scheduled installation of camera during the week commencing 10 May.

Update on CCTV Repair and Maintenance agreement

- None

Wayleave agreements

- None
