Dear Councilor Gardner,

**ROYAL BRITISH LEGION, NEWQUAY BRANCH ANNUAL REMEMBRANCE  
PARADE AND SERVICE AT ST MICHAELS CHURCH ORGANISED ON BEHALF OF  
THE TOWN COUNCIL ON SUNDAY 14<sup>TH</sup> NOVEMBER 2021**

As you are probably aware, the Branch can no longer be responsible for the Road Closures for any Form of Parade, as the Royal British Legion has indicated that the RBL Insurance can not be used to cover Parade Road Closures as this is a Civic Responsibility but with the Royal British Legion Members assisting to ensure that the parade and any service and Wreath laying is carried out in a dignified manner. In 2019 the council were kind enough to take on this role of facilitating the Road Closures with Cornwall Council, and the Branch is again hoping that Newquay Town Council would do this again, especially as you were also able to arrange personnel to cover the different road closures through the street, reopening the streets as soon as the parade had safely passed. If you can do this that will be great and I am quite willing to send out the invites as in past years so we know which organizations are going to attend, and more importantly how many people will be attending from each organization so the seating can be organized in the Church, of course if the council would rather do this then that would be alright. I look forward to the Councils early reply.

Yours Sincerely,

J P Knowlson
